FROM THE PASTOR'S PEN:

You will have noticed on the outside doors and on a few of the bulletin boards some signs from Canadian Blood Services. They are appealing via community organizations such as churches for persons to step forward to give blood.

Their aim is to collect over 9500 donations in July and August to meet hospital and other needs. There is still a need to fill 1680 spots with donors. Perhaps you can be one of those persons. As the saying goes about blood "It's in you to give!"

We should not underestimate the impact we can have with such a donation. Almost every surgery that takes place requires blood and/or blood products. One donation can save three lives so when you look around this morning and see the number of people who are here just multiply that by 3 and you can see the impact we could have as one congregation.

We also see impact when we look upon and welcome those who have come to us from various places as part of the SERVE project. Welcome to every one of you! We are glad that you have come to share your lives with us! It is our hope and prayer that you will feel at home amongst us and that you will be blessed to have been here.

A special word of thanks is given to those who have been busy in preparing for the SERVE team! Lots of effort has taken place behind the scene and it is our hope and prayer that your efforts will be transformed into manifold blessings for us all.

Pastor Bill
